

# WEST CAPE HOWE WINES

## MOUNT BARKER WESTERN AUSTRALIA

### 2021 SHIRAZ

This Shiraz is sourced from a number of vineyards in the Great Southern, predominately in and around the Mt Barker region. After pressing out, the Shiraz is matured in older oak barrels and with staves to add a light touch of oak complexity before the blend is put together. We aim to produce an approachable, well flavoured wine and there is minimal filtration ahead of bottling.

**COLOUR:** A vibrant and deep crimson red.

**AROMA:** Fragrant aromas of rich ripe berry and dark plum, with a hint of smoky black tea adding complexity.

**PALATE:** This Shiraz is full and flavoursome on the palate; it has loads of the black plum and delicious dark berry fruit flavours typical of the variety and complemented by the subtle French oak.

With its moderate tannins and gently drying finish it's very approachable and can be enjoyed right now and over the next few years. A good match with any meal.

**TECHNICAL INFORMATION:**

pH: 3.49

T.A: 5.8 g/L

Alcohol: 14.5%
