West Cape Howe
Semillon Sauvignon Blanc
Delicious Magazine
February 2005

Another wine that presses all the buttons from West Cape Howe. At a handy 12.5 per cent alcohol, this is a refreshing yet not brain-dead white wine with some texture and scope. Drink it with spicy food of a good fish curry that is long on coconut cream

Ben Canaider

“ this is a refreshing yet not brain-dead white wine with some texture and scope.”
